

To the Commissioner:

I am writing to
express my outrage
re: Pappas
Telecasting
Companies providing
hundreds of
thousands of dollars
in free airtime to
Republican
candidates in
California.

This is a
corporation that
controls a portion
of the public
broadcast spectrum
but it is clearly
not serving the
public interest with
such a blatantly
partisan gift.

At the very least,
they should be fined
and censured.
Better yet would be
a revokation of
their license.

Thank you for your
attention.

Sincerely, Henry
Labalme
